

Dear _____,

December 2022

It is my honor to purchase a sponsorship for Hillsdale's Academic Booster Club in your name.

You have a special place in my mind and heart when I reflect on education. Your name will be listed in athletic and academic programs, as well as on a banner that is predominantly displayed in the high school cafeteria.

The Academic Booster Club continues to make a difference in the lives of Hillsdale students. Among other projects, the booster club funds the Million Word Challenge, coordinates and supports events that bring all three buildings together to enhance literacy, math, science, and art opportunities for our Falcons, provides awards and scholarships for outstanding student achievement, and financially supports the teacher and staff of the year awards.

Happy Holidays from Hillsdale!
Sincerely,
