

# Rover Pipeline – New Facilities Survey

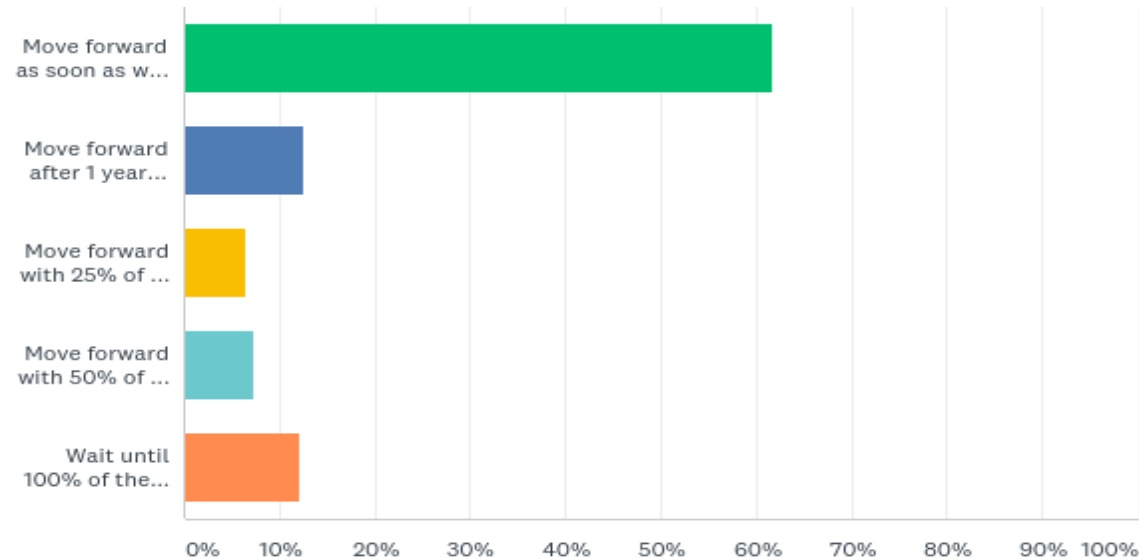

- Wednesday, November 28, 2018
- 233 respondents

Do you believe that the Hillsdale Local School District needs new facilities?

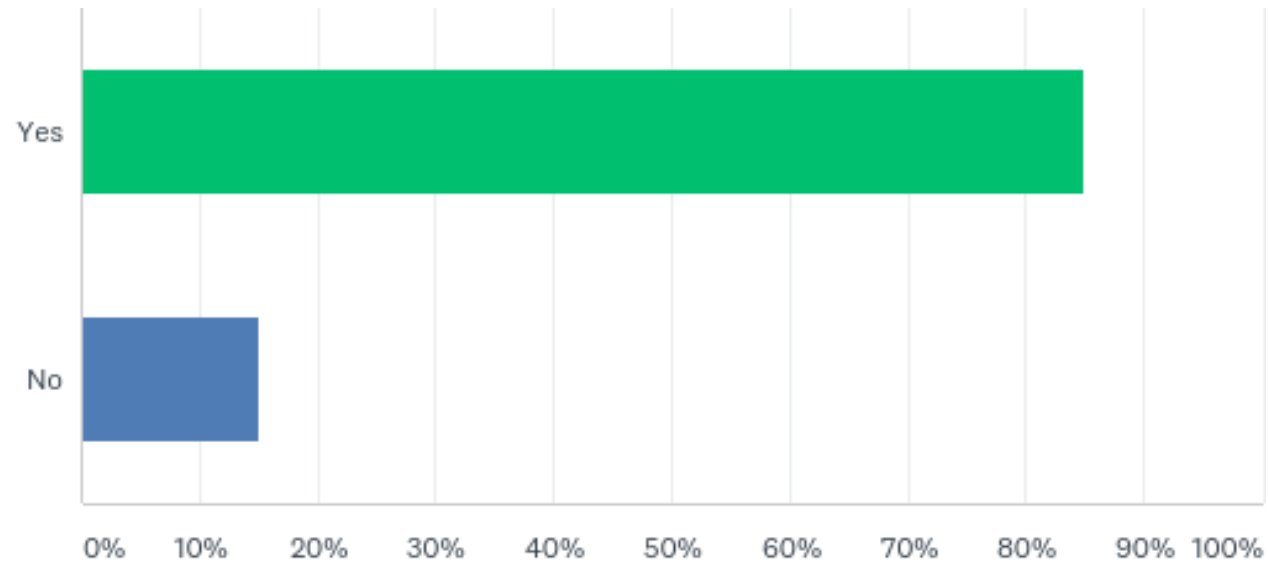

ANSWER CHOICES	RESPONSES	
Yes	90.99%	212
No	9.01%	21
TOTAL		233

How much of the additional revenue would you like to see in the bank before starting construction of new facilities? (In parentheses is the estimated school year to be in new facilities with selected answers below.)

ANSWER CHOICES	RESPONSES
Move forward as soon as we know the additional revenue amount in October of 2018. (2022-23)	61.64% 143
Move forward after 1 year of collections. (2023-24)	12.50% 29
Move forward with 25% of the projected cost of the project in the bank. (2024-25)	6.47% 15
Move forward with 50% of the project in the bank. (2025-26)	7.33% 17
Wait until 100% of the funds are in the bank. (2028-29)	12.07% 28
<b>TOTAL</b>	<b>232</b>

To expedite the building process are you comfortable with the district spending a minimal amount of dollars (up to half of a percent of total project cost), to research and design a new facility?

ANSWER CHOICES	RESPONSES	
Yes	84.91%	197
No	15.09%	35
TOTAL		232
